### How do your clients know YOU offer Travel Insurance?

#### Virtual Business Cards

Let your clients know that you are not only a travel **EXPERT**, but an **Insurance** specialist as well. By providing an **E-contact** for your clients, it allows them to refer you to others with a simple **click of a button**, and you can promote your services on **Social Media** to all your followers! **Free advertising!**

#### How to:

Create a new contact in your phone with all your details including photo, agency address, email, and phone number. Screenshot, upload and share away!

#### Challenge:

Send your virtual business card sample to: [businessdevelopmentmanager@manulife.ca](mailto:businessdevelopmentmanager@manulife.ca) by the end of the month to be entered in a draw to win the **“M&M” of the month** award!
