

TRAVEL CHECKLIST

What to do before you go

Knowing what to pack is one thing. But there are certain things it's wise to do even before you take one bathing suit out of your drawer.

- Make sure your **travel documents**, like your passport, are up to date.

- Make **photocopies** of your travel documents and keep them in your luggage.

- Inform your bank** and credit cards. Sudden out-of-country purchases can raise fraud flags.

- Find a neighbour** to pick up your mail and turn your lights on and off to make it look like you're home.

- Consider Manulife Global Travel Insurance for your next trip (medical, cancellation, baggage loss, etc.).

- Purchase some **local currency**.

- Arrange for **pet care**.

- If you have a **home alarm system**, let the company know when you'll be away.
