Hang-gliding; rock climbing; mountain-climbing which involves the ascent or descent of a mountain requiring the use of specialized equipment, including crampons, pickaxes, anchors, bolts, carabiners and lead or top-rope anchoring equipment; parachuting or skydiving; participating in a motorized speed contest; or *your* professional participation in a sport, snorkeling or scuba-diving when that sport, snorkeling or scuba-diving is *your* principal paid occupation.

## ACT OF TERRORISM COVERAGE

Where an *act of terrorism* directly or indirectly causes *you* a loss for which benefits would otherwise be payable in accordance with the terms and conditions of this policy, this insurance will provide coverage as follows:

- For **Emergency Medical Insurance and Trip Cancellation & Trip Interruption Insurance** coverage, we will provide benefits to *you* for *your* eligible expenses, subject to the maximums shown in the benefits section and this provision; and
- The benefits payable, as described directly above, are in excess to all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other *travel suppliers* and other insurance coverage (even where such other coverage is described as excess) and will only become available after *you* have exhausted all such other sources.

Any benefits payable pursuant to *our* **Emergency Medical Insurance and Trip Cancellation & Trip Interruption Insurance** shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies issued by *us*, including this policy. If total claims otherwise payable for a type of coverage under all travel policies issued by *us*, resulting from one or more *acts of terrorism* occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a pro rata basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.

Coverage is only available for up to two (2) *acts of terrorism* within a calendar year and the maximum aggregate payable limit for each *act of terrorism* is:

Type of Insurance Coverage	Maximum Aggregate for Each Act of Terrorism (CDN\$)
<i>Emergency Medical</i>	\$35,000,000
<i>Trip Cancellation &amp; Trip Interruption</i>	\$2,500,000

If, in *our* judgment, the total of all payable claims under one or more *acts of terrorism* may exceed the applicable limits, *your* prorated claim may be paid after the end of the calendar year in which *you* qualify for benefits.

#### Exclusion to this Act of Terrorism Coverage provision

Notwithstanding any provision to the contrary within this policy or any endorsement thereto, this policy does not cover any liability, loss, cost or expense of whatsoever nature which is directly or indirectly caused by, resulting from, arising out of or in connection with any *act of terrorism* perpetrated by biological, chemical, nuclear or radioactive means, regardless of any other cause contributing concurrently or in any other sequence to the liability, loss, cost or expense.

## WHAT ELSE DO YOU NEED TO KNOW?

Coverage under this policy is issued on the basis of information provided in *your* application (including the *questionnaire* if required). *Your* entire contract with *us* consists of: this policy; *your* application for this policy (including the completed and signed *questionnaire*, if required); the *confirmation* issued in respect of that application; and any other amendments or endorsements resulting from extensions or top-ups of coverage.

**This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact or circumstance concerning this insurance, either at the time of application for this policy (including any request for extension or top-up of coverage for benefits), at the time of claim or at any other moment during *your* coverage period.**

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus.

The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

This policy shall be governed by and construed in accordance with the laws of the province or territory of residence of the insured.

**Despite any other provision contained in the contract, the contract is subject to the applicable statutory conditions in the Insurance Act, as applicable in *your* province or territory of residence, respecting contracts of accident and sickness insurance.**

### Limitation of Liability

*Our* liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor *our* agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

### Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of premium, this document becomes a binding contract provided it is accompanied by a *confirmation* upon which a contract number appears and *we* have received *your* completed application (including the *questionnaire*, if applicable) prior to *your* *departure date*. If the premium is insufficient for the period of coverage selected, *we* will:

1. charge and collect any underpayment; or
2. shorten the policy period by written endorsement if an underpayment in premium cannot be collected.

*You* have 10 days from the date of purchase to review this policy. If it does not meet *your* needs, *you* may cancel it and get the premium refunded by notifying *us*. *Your* ability to cancel the policy may be affected if *you* have already departed on *your* trip.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

### How does this insurance work with other coverages that *you* may have?

This is second payor coverage. *You* may have other in-force plans or contracts such as, but not limited to, third party liability, auto insurance, group or individual health insurance providing hospital, medical or therapeutic coverage. In this case, the amounts payable under this insurance are limited to that portion of *your* eligible expenses that are in excess of the amounts provided by those other in-force plans or contracts.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will coordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance, (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less, *we* will not coordinate payment with that coverage. If *your* lifetime maximum is more than \$50,000, *we* will coordinate payment.) to a maximum of the largest amount specified by any such insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this policy, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and cooperate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy. If the total amount of all accident insurance *you* have under policies issued by *us* is more than \$100,000, *our* aggregate liability will not exceed that amount, and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

## IN THE EVENT OF A CLAIM

In the event of an *emergency*, call the Assistance Centre immediately, prior to receiving *treatment*: 1 800 211-9093 toll-free from the USA and Canada or +1 (519) 251-7821 collect where available.

The Assistance Centre is ready to assist *you* 24 hours a day, every day of the year.

Please note that if *you do not contact* the Assistance Centre in an *emergency*, *you will have to pay 25% of the eligible medical expenses* we would normally pay under this policy (25% co-insurance).

If it is medically impossible for *you* to call when the *emergency* happens, the 25% co-insurance will not apply. In this case, we ask that *you* call as soon as *you* can or that someone call on *your* behalf. Do not assume that someone will contact the Assistance Centre for *you*. It is *your* responsibility to verify that the Assistance Centre has been contacted.

If at time of claim, it is discovered that *you* no longer have coverage under a *government health insurance plan*, the maximum amount payable for all eligible expenses combined will be limited to \$25,000.

If *you* choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, these services will be reimbursed to *you* on the basis of the *reasonable and customary* charges that we would have paid directly to such provider. Medical charges that *you* pay may be higher than this amount; therefore, *you* will be responsible for any difference between the amount *you* paid and the *reasonable and customary* charges reimbursed by *us*. Some benefits are not covered if they have not been authorized and arranged by the Assistance Centre.

To make a claim for benefits under this policy, *your* written proof of claim and *your* fully completed Manulife Global Travel Insurance claim form(s) must be sent or submitted to *us* within 90 days after the event, but not more than 12 months after the date of such event or loss.

More information on the documentation that must be sent or submitted with *your* written proof of claim is provided on the following pages.

If *you* are making a *Trip Cancellation* or *Trip Interruption Insurance claim*, we will need proof of the cause of the claim, including:

- a) a medical certificate completed by the attending *physician* and stating why travel was not possible as booked, if the claim is for medical reasons; or
- b) a report from the police or other responsible authority documenting the reason for the delay if *your* claim is due to a misconnection or trip delay; or
- c) other appropriate documentation if the claim is not for medical reasons. For example: copy of the subpoena if cancelling due to jury duty or being called as witness. If death is the cause of the claim, an official document such as a death certificate that establishes cause of death will also be required.

We will also need, as applicable:

- a) complete original unused transportation tickets and vouchers;
- b) original passenger receipts for the new tickets *you* had to purchase;
- c) original receipts for the travel arrangements *you* had paid in advance and for the extra hotel, meal, telephone, internet usage fees, taxi fares or car rental expenses *you* may have had;
- d) any other invoice or receipt supporting *your* claim; and
- e) the entire medical file of any person whose health or *medical condition* is the reason for *your* claim.

If *you* are making a *Default Protection claim*, we must receive written notice of the claim within 60 days of the day on which the *travel supplier* announces that it is in *default*. *You* must submit proof of loss (including original receipts, proofs of payment to *travel suppliers*, proof of payment for insurance, unused transportation or accommodation documents and, where appropriate, evidence of claim to or reimbursement from any federal, provincial or other compensation fund, or other insurance, or any other source (including credit card companies) that is legally responsible or under contract to reimburse *you* for the cost of such undelivered *travel services*) no later than 30 days immediately after such filing deadline.

If *you* are making an *Emergency Medical Insurance claim*, we will need:

- a) original itemized receipts for all bills and invoices;
- b) proof of payment by *you* and by any other benefit plan;
- c) medical records including complete diagnosis by the attending *physician* or documentation by the *hospital*, which must support that the *treatment* was appropriate and consistent with the diagnosis and could not be omitted without adversely affecting *your* condition and quality of medical care and cannot be delayed until *your* return *home*;
- d) proof of the accident if *you* are submitting a claim for dental expenses resulting from an accident;

- e) proof of travel (including *departure date* and return date); and
- f) *your* historical medical records (if *we* determine applicable).

**If *you* are making a Baggage Loss, Damage & Delay Insurance claim**, the following conditions apply:

1. In the event of theft, burglary, robbery, malicious mischief, disappearance or loss of an item, *you* must obtain written documented evidence from the police immediately or, if the police are unavailable, the hotel manager, tour guide or transportation authorities. *You* must also take all precautions to protect, save or recover the property immediately, and advise *us* as soon as *you* return *home*. *Your* claim will not be valid under this insurance if *you* do not comply with these conditions.
2. If the property *you* have checked with a *common carrier* is delayed, *we* will continue to provide coverage until the property is delivered by the carrier.
3. *We* cover the current actual cash value of *your* property when it is lost or damaged. *We* also reserve the option to repair or replace *your* property with other of similar kind, quality and value. *We* may also ask *you* to submit damaged items for an appraisal of the damage. If a lost or damaged article is part of a set, *we* will cover a reasonable and fair proportion of the total value of the set, but not the total value of the set.
4. If *you* need to make a claim under this insurance, *we* will need:
  - a) copies of reports from the authorities as proof of loss, damage or delay; and
  - b) proof that *you* owned the articles, and receipts for their replacement.

**If *you* are making a Flight & Travel Accident Insurance claim**, the following conditions apply:

1. *We* will need:
  - a) police, autopsy or coroner's report;
  - b) medical records; and
  - c) death certificate, as applicable.
2. If *your* body is not found within 12 months of the accident, *we* will presume that *you* died as a result of *your* injuries.

**Who will *we* pay *your* benefits to if *you* have a claim?**

Except in the case of *your* death, *we* will pay the *reasonable and customary* expenses under this insurance to *you* or the provider of the service. Any sum payable for loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if *we* determine that the amount is not payable under *your* policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, *we* will use *our* exchange rate on the date *you* received the service outlined in *your* claim. *We* will not pay for any interest under this insurance.

**Is there anything else *you* should know if *you* have a claim?**

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act*, or in the *Limitations Act, 2002* in Ontario, or other applicable legislation.

For the purposes of determining the validity of a claim under this policy, *we* may obtain and review the medical records of the attending *physician(s)*, including the records of the regular *physician(s)* at *home*. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, *we* have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy.

If *you* die, *we* have the right to request an autopsy, if not prohibited by law.
